Training Course: Advanced Compliance and Violations Handling for Committee Managers

Training Course code: SC235554 From: 5 - 9 July 2026 Venue: Manama (Bahrain) - Training Course Fees: 5150 € Euro

Introduction

Committee managers play a pivotal role in ensuring that organizations maintain strict adherence to regulatory standards and compliance frameworks. As the complexity of regulatory landscapes increases, so does the need for advanced skills in handling compliance issues and violations. The "[Advanced Compliance and Violations Handling for Committee Managers](#)" program is designed to provide committee leaders with the expertise to navigate complex compliance challenges, manage violations, and ensure organizational integrity.

This program focuses on advanced strategies for ensuring compliance within various regulatory frameworks, handling breaches, and implementing corrective actions efficiently. Participants will learn how to create a culture of compliance, manage risk, and ensure that their organizations meet the highest standards of regulatory and legal requirements. Additionally, the program will cover how to respond to violations, conduct internal investigations, and develop action plans to mitigate future risks.

Objectives

- Master the principles of advanced compliance management.
- Develop robust systems for detecting, managing, and preventing compliance violations.
- Understand regulatory requirements across industries and sectors.
- Conduct effective internal investigations of compliance breaches.
- Implement corrective action plans to handle violations.
- Foster a culture of compliance and ethical behavior within the organization.

Target Audience

- Committee managers overseeing compliance programs.
- Compliance officers and risk management professionals.
- Legal and regulatory affairs managers.
- Senior management responsible for regulatory oversight.
- Internal auditors and compliance committee members.
