Training Course: Quality Assured Administration Management

Training Course code: MA9320 From: 5 - 9 July 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

Introduction

In today's results-oriented and quality-driven environment, administrative functions play a critical role in ensuring organizational efficiency, consistency, and service excellence. High-quality administration supports effective decision-making, enhances productivity, and ensures compliance with organizational standards.

This program, developed by [Global Horizon Training Center](#), provides participants with the knowledge and tools required to implement quality assurance principles within administrative functions. It focuses on improving processes, standardizing procedures, and enhancing service delivery to achieve operational excellence.

Participants will learn how to integrate quality management systems into administrative practices, monitor performance, and drive continuous improvement across departments.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles of quality assurance in administrative management
- Develop and implement standardized administrative procedures
- Improve efficiency and effectiveness of administrative processes
- Apply quality management tools and techniques
- Monitor and evaluate administrative performance
- Ensure compliance with organizational policies and standards
- Enhance communication and coordination across departments
- Drive continuous improvement in administrative functions
