Training Course: Executive Leadership & Strategic Management

Training Course code: LS234762 From: 24 - 28 August 2026 Venue: Tbilisi (Georgia) - Training Course Fees: 5775 € Euro

Introduction

This program, designed by Global Horizon Training Center, focuses on developing advanced executive leadership capabilities required to lead organizations successfully in today's fast-changing and complex business environment.

Modern organizations require leaders who can think strategically, inspire high-performance teams, manage change effectively, and make sound decisions under pressure. Executive leaders are expected to create alignment between organizational vision, people, and performance while navigating uncertainty, innovation, and continuous transformation.

Throughout this intensive five-day program, participants will explore practical leadership frameworks, strategic management techniques, and modern executive practices that enhance organizational effectiveness, influence, and long-term success.

Objectives

By the end of this program, participants will be able to:

- Develop strategic leadership capabilities for organizational success
- Strengthen decision-making and problem-solving skills in complex environments
- Enhance the ability to influence, motivate, and inspire teams
- Build high-performance teams and improve organizational engagement
- Apply effective change management strategies within organizations
- Improve leadership communication and executive presence
- Manage organizational complexity and competing priorities effectively
- Strengthen leadership agility, innovation, and future-focused thinking
- Lead with confidence during organizational transformation and uncertainty

Target Audience

- Senior Executives and C-Suite Leaders
- CEOs, COOs, CFOs, and Executive Directors
- General Managers and Department Heads
- Senior Managers and Team Leaders
- Leaders transitioning into executive positions
- Entrepreneurs and Business Owners
- HR and Talent Development Professionals
- Professionals responsible for strategic planning and organizational leadership
