Training Course: Management and Leadership Skills for New Managers and Supervisors

Training Course code: LS234688 From: 10 - 14 August 2026 Venue: Rome (Italy) - Training Course Fees: 6050 € Euro

Introduction

The Management and Leadership Skills for New Managers and Supervisors program is designed to help new and developing managers build the essential skills required to lead teams effectively and achieve organizational goals. The program focuses on the transition from individual contributor to successful leader by developing core competencies in leadership, communication, delegation, motivation, coaching, and team management.

Participants will gain practical tools and techniques to improve decision-making, enhance team performance, manage workplace challenges, and build confidence in leading people. The program also emphasizes the difference between management and leadership and how combining both creates high-performing teams and sustainable organizational success.

Course Objectives

By the end of this training program, participants will be able to:

- Understand the difference between leadership and management.
- Develop effective communication and influencing skills.
- Set clear goals and performance expectations for teams.
- Apply delegation and time management techniques effectively.
- Build and lead high-performing teams.
- Improve problem-solving and conflict management capabilities.
- Motivate employees and enhance team engagement.
- Apply coaching and feedback techniques for employee development.
- Manage workplace change and organizational challenges confidently.
- Create action plans to improve leadership effectiveness.
