Certified Manager Quality : Organizational  
Excellence & Total Quality Management*

*26 October - 6 November 2026  
London (UK)*

## Training Course: Certified Manager Quality : Organizational Excellence & Total Quality Management

Training Course code: MA1967 From: 26 October - 6 November 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

### Introduction

The Certified Manager Quality and Organizational Excellence CMQ/OE program prepares professionals to lead process improvement initiatives across organizations of any size.

CMQ/OE professionals are skilled in:

- Leading teams and managing customer and supplier relations
- Supporting strategic planning and deployment initiatives
- Developing measurement systems to drive organizational improvement
- Managing projects, resources, risk, and applying quality methodologies

This program combines theoretical frameworks, practical tools, and hands-on exercises to prepare participants for the CMQ/OE certification and real-world organizational challenges.

### Objectives

Participants will learn to:

#### Module 1 - Organizational Leadership & Management

- Apply the Body of Knowledge BOK concepts
- Lead teams and drive strategic planning and organizational improvements
- Analyze financial situations, evaluate risks, and implement change management
- Use quality management processes for project planning and execution
- Apply metrics, tools, and techniques to measure quality

#### Module 2 - Total Quality Management TQM Principles

- Understand TQM concepts and benefits
- Set quality objectives and policies
- Implement quality control and assurance methods, including Six Sigma
- Apply continuous improvement, Lean principles, and process optimization
- Utilize advanced quality tools, supplier management strategies, and performance metrics

### Target Audience

This program is suitable for:

- Quality managers and organizational improvement professionals
- Team leaders and project managers involved in process optimization
- Professionals preparing for CMQ/OE certification
- Individuals aiming to implement quality management strategies across their organization
