Training Course: Leading Under Pressure: Managing Organisational & Personal Crises

Training Course code: LS1028 From: 30 August - 10 September 2026 Venue: Doha (Qatar) - Training Course Fees: 7350
€ Euro

Introduction

Leaders are often required to navigate crises that challenge the very core of their organization's operations and their own personal resilience. This 10-day program is designed for leaders who wish to develop advanced skills in managing crises, both organizationally and personally. The course will equip participants with the tools and strategies needed to lead effectively under pressure, make critical decisions, and guide their teams and organizations toward recovery and growth. By focusing on emotional intelligence, crisis communication, decision-making, and resilience, delegates will learn to lead in the most difficult and high-pressure situations.

Objectives

By the end of this program, participants will be able to:

- Lead effectively during times of crisis, balancing operational needs with emotional intelligence.
- Manage organizational crises by making informed decisions and leading teams through recovery.
- Strengthen personal resilience and leadership skills to cope with the pressures of managing crises.
- Develop crisis communication strategies to ensure transparency and trust.
- Lead with confidence during organizational disruptions, motivating teams and stakeholders.
- Cultivate a crisis management framework that integrates personal and organizational crisis leadership.
