## Training Course: Healthcare Management

Training Course code: SI234651 From: 9 - 13 August 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

### Introduction

Global healthcare leaders must have expertise in leadership management, healthcare finance, and human resource management in order to maintain excellence in service and patient care. The Strategic Healthcare Management course aims to ensure that healthcare leaders worldwide have access to the world's leading practices in complex organizational management and healthcare leadership.

This course consists of healthcare industry-specific skill development, and enhancement methodologies and topics, designed for senior and executive-level hospital staff. Including primary care, recuperative care, community and other healthcare facility administrators, chiefs of staff, hospital board members, chief nursing officers, department directors, and other healthcare professionals with supervisory, management, or executive level responsibilities.

Important note: Course registration in Istanbul for 3 people or more, we offer 1-day site-visit to one public or private prestigious hospital

### Objectives

Implement patient-focused strategies, including strategic planning, across the organization

Leverage executive decision-making tools and formal methods to assess healthcare plans in light of regulations and ever-changing needs in the market

Lead and manage complex organizations' crisis management while optimizing quality and safety best practices

Foster creativity throughout a department or organization

Apply leadership capabilities to lead healthcare teams and projects to success

### Target Audience

Senior and executive-level hospital staff

Primary care, recuperative care, and community healthcare administrators

Chiefs of staff and hospital board members
