Training Course: Transforming HR: Elevating Employee Experience through Productivity and Positive Mindset

Training Course code: HR235609 From: 19 - 23 July 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

This training program is designed by [Global Horizon Training Center](#) to equip HR professionals with forward-looking strategies to [enhance employee experience](#), [boost productivity](#), and [cultivate a positive, high-performing workplace culture](#).

As organizations shift toward employee-centric models, HR is evolving into a strategic driver of engagement, well-being, and performance. This program integrates [employee experience design](#), [productivity frameworks](#), and [positive psychology principles](#) to help participants create environments where employees thrive and contribute at their highest potential.

Through interactive learning, practical tools, and real-world applications, participants will gain the ability to transform HR practices into impactful initiatives that support organizational success and future readiness.

Program Objectives

By the end of this program, participants will be able to:

- Understand the evolving role of HR in shaping employee experience
- Implement strategies to enhance productivity and employee well-being
- Foster a culture of positive thinking and resilience
- Align HR practices with organizational performance and future goals
- Design initiatives that improve engagement and workplace culture
- Apply HR metrics to measure employee experience outcomes

Target Audience

- HR Professionals and HR Business Partners
- Employee Engagement Specialists
- Talent Management Professionals
- Organizational Development Practitioners
- People Leaders and Team Managers
