Manama (Bahrain)*

## Training Course: Customer Service & Public Relations

Training Course code: RR5028 From: 28 June - 2 July 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

### Introduction

Our masterclass combines the disciplines of advanced customer service management and PR/communications in a powerful state-of-the-art programme to enable you to exploit this colossal opportunity. In a fast-paced, interactive programme you will work closely with other delegates to hone your relationship-building skills and strategies and to develop a planned approach to deal with the "new" consumer. You will learn how to build lasting rapport and mutual respect with your customers while you uncover their needs, match them, build respect and maintain customer loyalty

This highly interactive and fun programme examines in depth how to. This programme will enable you to:

- Build lasting and meaningful relationships with your customers
- Use powerful behavioural tools to ensure you secure and maintain a competitive edge within any marketplace
- Gain a greater understanding of your customers' needs and how to satisfy them
- Explore the basics of Neuro Linguistic Programming NLP and Emotional intelligence and discover how they can help you to improve your customer services management
- Understand how media channels can be used successfully to develop and enhance relationships
- Understand the process of decision-making based on learning from neuroeconomics
- Develop your ability to draw stakeholder maps and to explore and exploit the relationships between stakeholders
- Influence with integrity and effective communication

### Courses Objectives

- Build lasting rapport and lasting relationships with colleagues, customers and friends
- Modify your own behaviour to match others
- Establishing good working relationships
- Learn to influence with integrity
- To use influencing skills and techniques to build ongoing and long term relationships with key customers and other stakeholders
- To be able to create and adapt crystal clear models for communication between your organisation and its customers
- Build co-operation and commitment
- Understand your customers' needs and how to satisfy them
- An ability to tailor services to meet your stakeholders needs

- Plan communications activity to meet stakeholder needs
- Be more versatile in every customer or stakeholder-facing situation
- Explore the range of communications techniques and tools available
- Develop increased skill writing for print and the web and competency in the range of PR tools and techniques including editing
- Learn how to write clear brief and clear objectives
- Learn how to be an effective user of e-media
- Develop crisis management techniques
- Develop your interview technique
- Develop personal communications effectiveness
- Recognise behaviours that may cause conflict in the future, enabling you to defuse awkward, and sometimes critical, confrontations with colleagues and customers alike

## Methodology

Participants will learn by active participation throughout the programme, using programme materials, exercises, training videos and discussions of relevant organisational issues.
