Training Course: Mastering Time Management, Planning and Organizing Tasks Effectively

Training Course code: PS1018 From: 16 - 20 August 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

With the accelerating change of the twenty-first century, time management skills are at the top of the personal development tool kit. Know where you're going? What did you want from work and life? Concerned how time slips through your fingers and another day, week, month, a year goes by without achieving all you wanted?

This seminar will help you assess your present situation, in terms of work and personal life. It will enable you to manage yourself more effectively within your own time constraints and show you how to better organize and prioritize your work/life tasks.

Course Objectives

By the end of this program, participants will be able to:

- Assess their current use of time in both personal and professional contexts
- Identify time wasters and implement practical strategies to eliminate them
- Set clear goals and priorities aligned with personal and work objectives
- Apply effective planning techniques to manage daily tasks and long-term projects
- Improve productivity through better organization and structured work methods
- Develop skills to balance work and personal life more effectively
- Use time management tools such as diaries, planners, and time logs efficiently
- Enhance decision-making and problem-solving in relation to time constraints
- Manage interruptions, meetings, and communications more effectively
- Develop a personalized time management plan for continuous improvement

Target Audience

This course is suitable for:

- All employees across different levels seeking to improve productivity
- Team Leaders and Supervisors
- Managers and Department Heads
- Administrative and Support Staff
- Project Coordinators and Professionals
- Individuals struggling with time pressure, workload, or work-life balance
- Anyone looking to enhance personal effectiveness and time management skills
