Training Course: Knowledge Management, Employee Engagement & Organizational Learning

Training Course code: MA9228 From: 23 - 27 August 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

In today's knowledge-driven economy, organizations must effectively capture, share, and utilize knowledge to maintain a competitive advantage. However, successful Knowledge Management KM depends not only on technology, but more importantly on people, culture, and leadership.

This program, developed by [Global Horizon Training Center](#), focuses on the human aspects of Knowledge Management—building a culture of trust, collaboration, and engagement where employees actively share knowledge, experiences, and insights. It highlights how organizations can empower employees, encourage participation, and integrate knowledge-sharing practices into daily operations.

Participants will gain practical tools to foster a learning organization, enhance employee engagement, and develop systems that support knowledge sharing and continuous improvement.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles and importance of Knowledge Management
- Build a culture that encourages knowledge sharing and collaboration
- Capture and retain organizational knowledge effectively
- Empower employees and enhance engagement
- Develop systems that recognize and reward knowledge sharing
- Integrate knowledge management into performance management systems
- Strengthen communication, teamwork, and trust within organizations
- Promote continuous learning and organizational development
