INTRODUCTION

This Strategic Corporate Social Responsibility SCSR training course provides a way for managers, professional leaders, policymakers, academic professionals, and all employees to acquire in-depth insights and critical perspectives on companies' Corporate Responsibility strategies and the knowledge to implement them.

Strategic Corporate Social Responsibility aims at addressing the impact that organizations have on society, the environment, and the economy. It is increasingly regarded as one of the most influential non-financial indicators of a company's development, operating style, and brand image. The business case for a tailored Strategic corporate social responsibility strategy has already been proven: increase in employee retention, efficiencies in the companies' operations often resulting in higher quality products and/or reduced costs, sustainable growth, and enhanced investor relations.

This training course on Strategic Corporate Social Responsibility will highlight:

- The reasons why every company should integrate SCSR into their business operations
- Different approaches to SCSR
- How to define and devise an SCSR strategy for your company
- Why correctly engaging stakeholders will be key to sustainable growth within a company?
- Upcoming trends and whether or not these can fit into a company's profile
