Training Course: Effective Negotiation, Persuasion and Critical Thinking

Training Course code: PC1058 From: 23 - 27 November 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction

Successful business alliances require strong negotiation skills, trust, and open communication. Negotiation lies at the heart of every agreement, bargain, or deal, and achieving win/win outcomes is essential for long-term partnerships.

This program provides a structured framework for negotiation, emphasizing the development of persuasion, influence, and critical thinking skills. Participants will learn to build relationships, anticipate challenges, counter negotiation ploys, and develop strategies to achieve mutually beneficial outcomes.

Course Objectives

By the end of the program, participants will be able to:

- Develop a strategic framework for analyzing alliances and planning negotiations
- Apply influence and persuasion skills effectively in negotiations
- Build confidence as a trusted and credible negotiator
- Adopt appropriate behaviors for each stage of negotiation to achieve desired results
- Identify and counter common negotiation tactics and ploys
- Prioritize objectives and plan negotiation strategies through critical thinking
