Training Course: Developing Personal Effectiveness and Positive attitude

Training Course code: PS1013 From: 23 - 27 August 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

One of the major keys to success in the business world is being able to apply "discipline" to your life and actions! This is the key to developing personal effectiveness and professional excellence.

As S. N. Bremer said, "Self-mastery is the greatest task to which man has ever set his hand to. Self-development, can be achieved only after we resolve to control our self, through the operation and control of our thoughts."

Aldus Huxley said, "There is only one corner of the universe you can be certain of improving, and that is your OWN SELF!"

Whether you realize it or not, you carry within yourself, a mental blueprint and a picture of you. All of our actions, feelings, behavior, and even our abilities, are consistent with the self - image, we hold of ourselves. Your self-image is either your life handicap, or your auto-pilot for success!

Denis Waitley, the well known motivational speaker, and top performance trainer, sums it all up when he says - "Ultimately, what shapes our self-image, is not so much what happens to us, as what happens in us! Perhaps more than any other quality, healthy self-esteem, is the door to high achievement and happiness."

This program is designed, to prepare and equip each person, with discipline, a positive mindset, and motivation, to maximise their incredible personal potential!

Course Objectives

By the end of this program, participants will be able to:

- Understand the concept of self-mastery and its impact on personal and professional success
- Develop a strong and positive self-image to enhance confidence and performance
- Apply techniques to control thoughts, emotions, and behaviors effectively
