*Cairo (Egypt)*

*Holiday Inn & Suites Cairo Maadi, an IHG Hotel*

## Training Course: Microsoft 365 Endpoint Administrator

Training Course code: IT235461 From: 19 - 23 July 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

### Introduction

This Microsoft 365 Endpoint Administrator training program, designed by Global Horizon Training Center, aims to equip IT professionals with the necessary skills and knowledge to manage and deploy Microsoft 365 endpoints effectively. The course covers a range of topics, from initial setup to advanced management techniques, ensuring participants can handle real-world scenarios with confidence.

### Objectives

- Understand the fundamentals of Microsoft 365 and its endpoint management capabilities.
- Learn to deploy and manage Windows 10 and Windows 11 devices using Microsoft Endpoint Manager.
- Configure and manage device security policies to ensure compliance and protect organizational data.
- Implement and manage device configurations and application policies.
- Troubleshoot and resolve issues related to Microsoft 365 endpoints.

### Target Audience

- IT professionals responsible for managing Microsoft 365 endpoints.
- System administrators and network engineers.
- IT managers and team leaders overseeing endpoint management.
- Security professionals focusing on device compliance and protection.
- Anyone preparing for the Microsoft 365 Certified: Modern Desktop Administrator Associate certification.
