Training Course: Certificate Course in Front Office Management

Training Course code: OM234892 From: 13 - 17 September 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725
€ Euro

Introduction

This program, designed by Global Horizon Training Center, provides a practical and structured approach to developing highly professional front office personnel.

The front office represents the organization's first point of contact with customers and plays a critical role in shaping customer experience and organizational reputation. As a customer-facing and revenue-impacting function, front office professionals must combine operational efficiency with excellent communication and service skills. This program equips participants with the competencies required to manage front office operations effectively while delivering consistent service excellence.

Program Objectives

By the end of this program, participants will be able to:

- Deliver high-quality customer service and represent the organization professionally
- Apply effective front office management practices
- Develop strong communication and interpersonal skills
- Manage front office operations and coordinate with back-office functions
- Handle customer interactions and problem-solving situations efficiently
- Perform administrative and clerical tasks effectively
- Understand front office roles across different industries
- Manage basic financial transactions at the front office
- Utilize technology to enhance front office performance

Target Audience

- Front Office Managers
- Receptionists
- Office Administrators and Assistants
- Customer Service Representatives
- Cashiers
