Manama (Bahrain)*

## Training Course: Strategic IT Leadership

Training Course code: IT1142 From: 18 - 29 October 2026 Venue: Manama (Bahrain) - Training Course Fees: 8100 € Euro

### Introduction

Management of IT services is no longer enough. The strategic importance of information services to the enterprise makes IT a critical partner in meeting business goals.

Defining IT strategy, and leading an agile IT organization that is customer-centric, making good strategic management and technical decisions and leverage your IT resources is the challenge IT leaders face today. Strategic IT Leadership will give you the skills you need to meet these challenges.

### Course Objectives

This seminar reveals the most important aspects of leading and managing a world-class, strategically aligned IT department.

From aligning IT projects with corporate strategy to defining value and performance measurement, knowing when to adopt new technologies, from team building and finding and keeping the right people, to planning and budgeting, you will learn the keys to strategically align your IT services with professional, world-class, proven techniques.

### Target Audience
