Training Course: Techniques and Best Practices in Contract Drafting, Review, and Analysis

Training Course code: PC235108 From: 28 September - 2 October 2026 Venue: Kigali (Rwanda) - Training Course Fees: 6350 € Euro

Introduction:

This course provides a comprehensive approach to drafting, reviewing, and analyzing contracts. Participants will learn how to organize content effectively, ensure legal compliance, and apply best practices to minimize disputes. Emphasis is placed on both form and content to produce clear, enforceable, and well-structured contracts, with practical and scientific perspectives.

Objectives:

By the end of the course, participants will be able to:

- Identify the essential elements of contract writing.
- Apply best practices in drafting contract texts and sections while avoiding common errors.
- Describe the steps in preparing contracts, including scope formulation, terms, and conditions.
- Evaluate procedures for contract preparation and contractor selection.
- Assess the impact of negotiation on contractual terms and scope.

Target Audience:

- Legal department managers and members
- Procurement and contract managers
- Employees responsible for preparing scopes of work and negotiating contractual terms
- Professionals involved in the pre-contracting phase
- Staff determining contracting strategies, decision sources, and tenders

Course Outline:
