Training Course: Authentic Leadership: Courage, Coaching, Ethics & Building Strategies

Training Course code: LS1140 From: 13 - 17 December 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

At the core of successful leadership lies trust—trust that is built on authenticity, integrity, and a clear sense of direction. A leader's ability to establish trust with subordinates and colleagues is vital, but trust can easily be undermined if the leader is perceived as insincere, lacking vision, or avoiding responsibility. This seminar focuses on enhancing the leader's role in shaping decisions, resolving ethical dilemmas, and developing strategies for long-term organizational success.

The seminar emphasizes the importance of personal credibility, coaching team growth, formulating a shared vision, and navigating ethical challenges. It provides practical leadership tools that help leaders foster trust, build cohesive teams, and create sustainable strategies for organizational success.
