Training Course: Goal Setting, Planning & Decision Making

Training Course code: PS1022 From: 11 - 15 October 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

The level of competition in current business environment requires an increasing focus on practices that assist in setting of goals, managing of the planning function and making proper decisions. Businesses and indeed, all organizations, find themselves needing to find more productive methods of planning, more appropriate goals and effective means of making decisions. This means goals are established, plans developed and decisions made which change processes, procedures, methods of doing business and better meet customer and stakeholder needs. A focus on using productive practices allows for effective and efficient management of work and making changes in the organization.

The course is designed to give participants an understanding of several management methods, processes and procedures, as well as practice on several key management techniques. The principles used are easily adapted to an organization's or individual's work assignments. The course presents a methodology of common, standard management techniques using a simple theoretical foundation and enhances learning with practical activities so students can develop knowledge and skill to manage more effectively and efficiently.

Course Objectives

By the end of this program, participants will be able to:

- Understand key principles and tools of goal setting, planning, and decision making
- Develop practical skills to set clear, measurable, and achievable goals
- Apply structured planning techniques to manage tasks, work activities, and projects effectively
- Identify internal and external factors that influence planning and decision-making processes
- Improve the ability to prioritize tasks and manage deadlines efficiently
- Use basic planning tools to develop effective work strategies and action plans
- Enhance decision-making skills at both individual and team levels
- Understand the role of delegation in effective planning and workload management
- Strengthen interpersonal and communication skills to improve team collaboration
- Support and contribute to team-based decision making and problem-solving
- Develop practical action plans for managing change and improving performance
