## Training Course: IOSH Managing Safely

Training Course code: HE7007 From: 20 - 24 September 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel  
Training Course Fees: 4775 € Euro

### Introduction

Safety is a core responsibility for all managers, regardless of their field, as both legal and corporate policies demand workplace safety. This course enhances managers' understanding of safety challenges and equips them to ensure a safe work environment by assessing systems, introducing controls, and preventing accidents or illnesses. Delegates will learn to implement precaution hierarchies, document incidents effectively, use active monitoring checklists, understand Safety Management System components, and adopt environmentally friendly practices.

### Objectives

- Understanding, assessing, and controlling risks
- Understanding responsibilities
- Investigating accidents and incidents
- Measuring performance
- Protecting the environment

### Process

Excellent PowerPoint and animated graphic presentations are used to present the course material. The delegates are kept engaged, alert, and never bored with quizzes, board games, and DVDs. It is a useful program with clear instructions and a focused business goal. The delegates will be eager, engaged, and prepared to apply the techniques learned when they return to their jobs.

### Benefits

- Confidence in having attended a certified course
- Recognize the best current practices
- Appreciation of environmental issues
- Understanding of Safety Management
- Knowledge of risk evaluation that will better prepare them to anticipate different contingencies

### Results

- Will acquire an internationally recognized certificate
- Understand the basics of both safety and the environment
- Appreciate their responsibilities within the law
- Become better motivated that will result in cost savings
- Develop different approaches to increase organizational effectiveness and efficiency

## Core Competencies
