Training Course: Microsoft Office and Administrative Skills

Training Course code: MA234819 From: 1 - 5 June 2026 Venue: Venice (Italy) - Training Course Fees: 6050 € Euro

Introduction

To excel as an Office Manager, Administrator, or Secretary, professionals must develop strong interpersonal, organizational, and technical skills to effectively manage responsibilities and maintain high levels of performance. The [Administrative Excellence and Microsoft Office Mastery](#) program is designed to equip participants with the essential competencies required to enhance productivity, improve communication, and optimize office operations.

This program provides comprehensive training in core Microsoft Office applications, including [Microsoft Outlook](#), [Microsoft Word](#), [Microsoft Excel](#), [Microsoft PowerPoint](#), and [Microsoft Power BI](#), enabling participants to handle administrative tasks efficiently and professionally.

In addition to technical skills, the program focuses on developing key administrative capabilities such as time management, communication, problem-solving, decision-making, and office organization. Participants will learn how to streamline workflows, manage multiple priorities, and improve workplace efficiency while fostering effective professional relationships.

Course Objectives

By the end of this program, participants will be able to:

- Improve time management and prioritize daily responsibilities effectively
- Streamline office processes and enhance workplace efficiency
- Communicate professionally and assertively across all organizational levels
- Apply problem-solving and decision-making techniques in administrative roles
- Manage meetings, documentation, and administrative workflows efficiently
- Utilize Microsoft Office applications for professional documentation and reporting
- Create and format documents, spreadsheets, presentations, and reports
- Analyze data and generate insights using Excel and Power BI
- Enhance organizational and coordination skills within the office environment

Target Audience

This program is designed for:

- Office Managers and Administrative Professionals
- Executive Secretaries and Personal Assistants
- Administrative Coordinators and Support Staff
- Customer Service and Front Office Personnel
