Training Course: Level 4 Award in Health & Safety in the Workplace

Training Course code: HE7003 From: 26 - 30 October 2026 Venue: Kuala Lumpur (Malaysia) - Training Course Fees: 6300 € Euro

Introduction

The CIEH Level 4 Award in Health and Safety in the Workplace is designed for managers and supervisors to develop the knowledge and skills necessary to manage workplace safety effectively. Beyond procedures and technology, the program emphasizes understanding risks that can lead to losses and equips participants to improve safety performance, reduce costs, and enhance organizational productivity.

The course covers health and safety legislation, management systems, safety culture, hazardous agents, and workplace equipment hazards, ensuring participants can implement sustainable safety practices.

Objectives

By the end of the program, participants will be able to:

- Advise on aspects of health and safety management in the workplace
- Determine health and safety training needs for staff
- Identify areas where specific legal requirements apply
- Implement good health and safety practices
- Identify areas for improvement through risk assessment

Target Audience

- Managers and supervisors responsible for workplace safety
- Health and safety officers and coordinators
- Team leaders overseeing operational safety
- Professionals seeking formal CIEH Level 4 certification
- Anyone responsible for compliance with health and safety legislation
