Strategic Healthcare Management and Leadership (HA)

8 - 12 June 2026
Singapore

Training Course:
Strategic Healthcare Management and Leadership (HA)

Training Course code: MA234597 From: 8 - 12 June 2026 Venue: Singapore - Training Course Fees: 6250 Euro

Introduction

Healthcare organizations today operate in an increasingly complex and dynamic environment, requiring strong leadership, strategic vision, and efficient management practices. This program, developed by Global Horizon Training Center, is designed to equip healthcare professionals with the knowledge and skills needed to lead organizations effectively while ensuring high-quality patient care and operational excellence.

The course focuses on integrating strategic management principles with healthcare leadership practices, enabling participants to address challenges such as resource optimization, regulatory compliance, patient-centered care, and continuous improvement. It provides a comprehensive framework for enhancing decision-making, driving innovation, and improving overall healthcare performance.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles of strategic management in healthcare organizations
- Develop leadership skills tailored to healthcare environments
- Analyze healthcare systems and improve operational efficiency
- Apply strategic planning tools to enhance organizational performance
- Improve decision-making in complex healthcare settings
- Enhance patient-centered care and service quality
- Manage resources effectively within healthcare institutions
- Navigate regulatory and compliance requirements
- Lead change and innovation in healthcare organizations

Target Audience

This program is designed for:

- Healthcare Executives and Hospital Directors
- Department Heads and Clinical Managers
- Healthcare Administrators and Supervisors
- Medical and Non-Medical Leaders in Healthcare Organizations
- Quality and Patient Safety Professionals
- Policy Makers and Government Healthcare Officials
- Professionals transitioning into healthcare leadership roles
