Training Course: Masterclass in Leadership Thinking

Training Course code: LS235192 From: 9 - 13 November 2026 Venue: Casablanca (Morocco) - Training Course Fees: 4725 € Euro

Introduction:

Welcome to the Masterclass in Leadership Thinking, a program designed by Global Horizon Training Center. In this comprehensive leadership development course, participants will embark on a transformative journey to enhance their leadership thinking abilities. By fostering critical thinking, strategic planning, and innovative problem-solving, this masterclass will empower participants to become visionary leaders capable of guiding their organizations towards success in an ever-evolving business landscape.

Objectives:

- To develop advanced leadership thinking skills that drive strategic decision-making.
- To cultivate a growth mindset and promote a culture of continuous learning.
- To enhance creative problem-solving and innovation within leadership roles.
- To improve communication and collaboration skills for effective leadership.
- To apply leadership thinking techniques to real-world business challenges.

Methodology:

This Masterclass in Leadership Thinking will employ a combination of interactive learning techniques to engage participants actively. The methods will include:

- Lectures and presentations by industry experts.
- Group discussions and peer-to-peer learning.
- Case studies and real-world scenario analysis.
- Role-playing and practical exercises.
- Self-assessment tools and reflection assignments.

Target Audience:

This program is designed for mid to senior-level managers, executives, and aspiring leaders from various industries. It is ideal for individuals looking to enhance their leadership thinking abilities and make a significant impact on their organizations' success.
