Training Course: Organizational Performance Management and Improvement

Training Course code: MA234743 From: 28 June - 2 July 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

Organizational analysis is a critical process that enables public sector institutions to assess performance, identify gaps, and implement strategies for continuous improvement. The [Organizational Analysis and Performance Management for Public Sector Excellence](#) program equips participants with the tools and frameworks needed to evaluate organizational effectiveness and align performance management with strategic objectives.

This program focuses on enhancing accountability, improving performance measurement systems, and fostering a high-performance culture within public sector organizations.

Course Objectives

By the end of this program, participants will be able to:

- Design and implement organizational analysis frameworks
- Align performance management initiatives with organizational goals
- Overcome resistance to performance measurement and reporting
- Apply evidence-based performance measurement and benchmarking techniques
- Lead cultural and organizational change initiatives
- Develop and manage performance improvement teams
- Integrate performance management with broader organizational strategies
- Address and resolve work-performance challenges effectively

Target Audience
