## Training Course: Sensitive planning and Emergency Management

Training Course code: HE7045 From: 28 June - 2 July 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

### Introduction

This course highlights the importance of integrating security management with business operations to protect assets without hindering growth. Participants will learn to identify and evaluate risks from internal and external sources and implement safeguards like Crisis Management and Business Continuity Plans. The program emphasizes risk analysis, security surveys, and vulnerability assessments as essential tools for strategic decision-making. Delegates will gain practical knowledge in designing effective security plans and leading teams to align with corporate objectives. The course equips professionals with the expertise to meet international standards in security planning and asset protection.

### Objectives

- Best management practice and how to apply these principles
- Planning security projects and implementing these effectively
- Creating a protection programme to protect intellectual property in addition to physical assets
- Running a proactive professional security team
