Training Course: STCW 2010 requirements & analysis

Training Course code: MM234704 From: 1 - 5 November 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4410 € Euro

Introduction

The [Standards of Training, Certification and Watchkeeping STCW Convention](#), as amended by the [2010 Manila Amendments](#), sets the global benchmark for the training, certification, and competency of seafarers. These amendments introduced significant updates to address modern maritime challenges, including new technologies, enhanced safety requirements, and stricter compliance measures.

This program, developed by [Global Horizon Training Center](#), provides a comprehensive analysis of the STCW 2010 requirements, focusing on regulatory frameworks, competency standards, certification processes, and implementation strategies. It is designed to help maritime professionals and organizations understand, interpret, and apply STCW requirements effectively.

Participants will gain practical insights into compliance, auditing, training frameworks, and competency management, ensuring alignment with international maritime standards.
