Training Course: Anti-Money Laundering (AML) Compliance

Training Course code: FI234677 From: 13 - 17 July 2026 Venue: Madrid (Spain) - Training Course Fees: 5775 € Euro

Introduction:

The Anti-Money Laundering AML and Countering Terrorist Financing CTF Compliance Masterclass is designed to equip professionals with the essential skills needed to prevent, detect, and report money laundering activities. This course provides a comprehensive overview of the regulatory environment and highlights the importance of Know Your Customer KYC procedures, Customer Due Diligence CDD, sanctions monitoring, and the role of the Money Laundering Reporting Officer MLRO. Participants will gain practical insights into the AML risks associated with emerging industry sectors, as well as the latest global regulations, ensuring they are prepared to meet the challenges of combating money laundering and terrorist financing effectively.

The course emphasizes practical methodologies for developing systems and controls aimed at identifying, securing, and protecting critical financial information. By the end of the program, participants will be well-versed in the relevant laws and regulations, as well as the tools required to help their organizations mitigate financial crime risks.

Course Objectives:

By the end of this course, participants will:

- Understand the process of Money Laundering and Counter-Terrorist Financing CTF.
- Learn about the regulations and legislations that govern financial institutions, ensuring compliance.
- Gain an in-depth understanding of the roles of FATF and its impact on AML regulations.
- Recognize the penalties and consequences of non-compliance with AML and CTF laws.
- Identify the methods for detecting and preventing money laundering and terrorist financing within organizations.
- Understand the measures necessary for implementing effective Know Your Customer KYC and Customer Due Diligence CDD processes.
- Learn how to identify "red flags" and suspicious activities that could indicate money laundering or terrorist financing.
- Assess the risks posed by offshore financial centers and how to manage them effectively.

Target Audience:

This course is designed for professionals working in the financial services sector, as well as those who are involved in the compliance, risk, and security aspects of financial institutions. It is suitable for:

- Anti-Money Laundering AML and Compliance Professionals

- Senior Management
- Staff working in financial services who require an introduction to AML and CTF
- Consultants in the field of financial compliance and fraud prevention
- Treasury Managers
- Auditors
