Training Course: Diplomacy and International Relations: Strategies for Global Engagement

Training Course code: SC235539 From: 28 June - 2 July 2026 Venue: Amman (Jordan) - Training Course Fees: 4550 € Euro

Introduction:

In today's interconnected world, diplomacy and international relations play a crucial role in shaping global politics, fostering cooperation, and resolving conflicts between nations. The complexities of globalization, technological advancements, and evolving geopolitical landscapes require professionals to develop a comprehensive understanding of international relations and strategic diplomatic practices.

The Diplomacy and International Relations: Strategies for Global Engagement training program provides participants with the tools and knowledge to navigate the intricate world of diplomacy, cultivate global partnerships, and apply strategies that address contemporary global challenges. Participants will gain insights into effective negotiation tactics, the principles of multilateral diplomacy, and how to develop robust international relations strategies that promote peace, cooperation, and mutual benefit.

Objectives:

By the end of the program, participants will be able to:

- Understand the core principles and theories of international relations and diplomacy.
- Develop strategies for effective global engagement and international collaboration.
- Apply diplomatic negotiation and mediation techniques in complex international contexts.
- Analyze global trends and assess their impact on international relations.
- Build and strengthen international alliances and partnerships.
- Enhance their understanding of multilateral diplomacy, international law, and global governance systems.

Target Audience:

- Diplomats and foreign service officers
