Training Course: Linking Training to Organisational Goals

Training Course code: HR3012 From: 13 - 17 September 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

This program, designed by Global Horizon Training Center, focuses on enabling organizations to transform training from a routine activity into a **strategic performance driver**.

In a rapidly evolving business environment, sustained performance depends on continuously equipping individuals and teams with the right skills, knowledge, and behaviors. Training is no longer optional—it is a critical lever that can be directly linked to achieving organizational goals, improving productivity, and driving competitive advantage.

This highly engaging program explores how Learning & Development L&D can be aligned with business strategy, ensuring that every training initiative contributes measurable value. Participants will learn how to design focused training strategies, influence stakeholders through results, and demonstrate the return on investment ROI of training interventions.

Objectives

By the end of this program, participants will be able to:

- Describe the strategic role of training within an organization
- Transition from traditional training approaches to organizational development
- Align training initiatives with organizational goals and objectives
- Conduct effective Training Needs Analysis TNA
- Develop comprehensive and focused training strategies
- Identify and implement appropriate learning solutions
- Evaluate training effectiveness and impact
- Demonstrate the added value and ROI of training programs
