Leadership for Innovation and Sustainability*

*9 - 20 November 2026  
Kigali (Rwanda)*

## Training Course: Senior Management Programme: Policy and Leadership for Innovation and Sustainability

Training Course code: MA235680 From: 9 - 20 November 2026 Venue: Kigali (Rwanda) - Training Course Fees: 9700 € Euro

### Introduction

This comprehensive program, designed by the esteemed Global Horizon Training Center, equips senior leaders with the tools and knowledge necessary to drive innovation and sustainability through robust policy-making and leadership strategies. The training emphasizes a future-focused approach to management, preparing leaders to navigate complex global challenges while fostering organizational resilience and long-term success.

### Objectives

By the end of the program, participants will be able to:

- Develop and implement effective policies to drive innovation and sustainability within their organizations.
- Lead organizational change initiatives with a focus on sustainability and long-term impact.
- Employ strategic leadership skills to align corporate goals with global sustainability standards.
- Integrate innovative practices into existing frameworks to enhance operational efficiency.
- Foster a culture of creativity, collaboration, and continuous improvement.
- Address global challenges through proactive policy adjustments and adaptive leadership.

### Target Audience

- Senior executives and decision-makers across industries.
- Policy-makers aiming to integrate sustainability into governance.
- Heads of departments responsible for innovation and strategic planning.
- Leaders seeking to elevate their organizational impact and global alignment.
