## Training Course: Leadership Development: Self-Awareness, Skills and Strategies

Training Course code: LS1104 From: 20 - 24 December 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

### Introduction

The best leaders thoroughly understand themselves. Time and time again, research has shown that self-awareness and self-direction are two essential factors in leadership effectiveness. As leaders gain a better sense of themselves and a clearer plan to self-actualization, they also:

- Understand leadership in a brand new way
- Discover the "inner" leader as a source of growth
- Tap into your amazing hidden personal power
- Take team development to new levels of achievement
- Learn to lead through excellent communication skills

### Objectives

In this program you will learn to:

- View leadership from a new and higher-level perspective
- Discover and analyze your leadership style and tendencies
- Grow in personal power and effectiveness
- Discover and build upon your intrinsic leadership qualities
- Understand, develop and employ the emotional forces within you
- Develop the critical interpersonal skills essential for leading others

### Methodology

The instruction of this dynamic seminar will consist of content lectures, video dramatizations, assessments, engaging class discussions, and many exercises to make the learning come alive. Because Leadership Development: Self-Awareness, Skills and Strategies is so extensive in scope, the seminar will be delegate-centered and need-driven. The actual extent and time allocated to each topic will be determined by initial and daily observations of their relevance to the delegate's day-to-day work requirements.

### Organizational Impact

Leaders with high self-awareness and emotional competence:

- Have the ability to understand and relate to people in the organization
- Avoid many of the difficult people and HR problems that plaques many organizations
- Possess skills that are now considered to have a greater impact on organizational performance than traditional measures of intelligence such as IQ
- Promote increased employee cooperation, increased motivation increased productivity, and increased profits

## Personal Impact
