Training Course: Brand Management

Training Course code: SM234622 From: 5 - 9 October 2026 Venue: Casablanca (Morocco) - Training Course Fees: 4725
€ Euro

Introduction

This training program is designed by [Global Horizon Training Center](#) to equip professionals with the strategic knowledge and practical tools required to build, manage, and sustain strong brands in highly competitive markets.

Branding is a critical differentiator that enables organizations to distinguish their offerings and create lasting impressions in the minds of customers. A strong brand goes beyond a name or logo—it represents a promise, a perception, and a consistent experience that drives customer preference and loyalty.

This program provides a comprehensive understanding of brand development, positioning, equity, and performance measurement. Participants will explore modern branding strategies, learn how to evaluate brand health, and develop actionable plans to strengthen and grow their brands effectively.

Course Objectives

By the end of this program, participants will be able to:

- Define branding concepts and understand their strategic importance
- Develop strong brand positioning statements aligned with customer expectations
- Build and manage brand equity using structured frameworks
- Identify and apply appropriate branding strategies across different markets
- Analyze brand performance and sustainability using key metrics
- Conduct comprehensive brand audits to identify strengths and gaps
- Design consistent brand identities that reflect organizational values
