Training Course: The Chief Financial Officer Programme

Training Course code: FI234878 From: 28 December 2026 - 1 January 2027 Venue: Casablanca (Morocco) - Training Course Fees: 4725 € Euro

Introduction

This Global Horizon Training Center Chief Financial Officer Programme may assist the CEO with forecasting, cost-benefit analysis, and obtaining funding for various initiatives. In the financial industry, a CFO is a highest-ranking position, and in other industries, it is usually the third-highest position in a company. A CFO can become the CEO, chief operating officer, or president of a company.

Broaden your perspective and prepare for the role of a strategic CFO by enhancing your skills to better align financial and corporate strategy.

Objectives

- Financial leadership in action that embraces personal and wider risks of the role
- Fostering a winning relationship with the CEO/Board
- Strategic engagement, alignment, goal congruence, delivering concrete outcomes
- Acquiring commercial insights, and perspectives that feed into decisions making
- Leading through change, business transformation, and performance optimization
- Communicating business insights, and decision choices more succinctly and intelligently
- Embracing the power of digital and associated risks
- Nurturing finance talent and leadership pipeline

Target Audience

This Training program is designed for senior finance executives who are either new to a CFO role or preparing themselves for a CFO assignment or similar strategic financial leadership position.

Attendees include:

- Senior-level executives with strategic and financial responsibilities
- Existing CFOs or those preparing to step into a CFO role

- Executives from a wide range of industries, ranging from large organizations to start-ups.
