Training Course: Managing and Coordinating Training Proactively

Training Course code: HR3034 From: 29 June - 10 July 2026 Venue: Casablanca (Morocco) - Training Course Fees: 7350
€ Euro

Introduction

In today's fast-moving and performance-driven organizations, effective training coordination requires more than administrative efficiency—it demands **proactive planning, strategic alignment, and strong management capabilities**. Training coordinators and managers must be able to plan work systematically, manage time and priorities, support decision-making, and adapt to continuous organizational change.

The **Managing and Coordinating Training Proactively** program is a comprehensive development journey designed to strengthen participants' ability to **plan, organize, and execute training and work activities with high efficiency and impact**. It integrates essential management disciplines such as time management, task planning, goal setting, decision-making, and change management.

This program is structured into two integrated modules:

- **Module 1:** Effective Time, Task & Work Planning
- **Module 2:** Goal Setting, Planning & Decision Making

Participants will gain practical tools and frameworks that can be immediately applied to improve productivity, coordination, and overall performance.

Program Objectives

By the end of this program, participants will be able to:

- Apply structured frameworks for **planning and prioritizing work**
- Manage time effectively and eliminate productivity barriers
- Develop and implement **work plans and project strategies**
- Set clear goals and performance targets aligned with organizational objectives
- Improve interpersonal communication and collaboration
- Apply decision-making techniques to enhance outcomes
- Manage stakeholders and organizational change effectively
- Balance constraints of **time, cost, scope, and quality** in planning
- Develop proactive approaches to training coordination and management
