Training Course: Executive Leadership in Real Estate

Training Course code: SC1958 From: 8 - 12 November 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4775 € Euro

Introduction:

The Executive Leadership in Real Estate training program is designed to provide comprehensive knowledge and practical skills to CEOs in the real estate industry. This program builds upon the CEO's existing expertise and focuses on key areas such as project execution, financial analysis, credit risk management, and strategic marketing. By the end of the program, participants will be equipped with advanced strategies and techniques to effectively lead and manage their organizations.

Objectives:

- Enhance project execution capabilities for successful real estate services.
- Strengthen financial analysis skills to make informed business decisions.
- Develop expertise in credit risk management to mitigate financial risks.
- Gain insights into strategic marketing planning for business-to-business operations.
- Foster leadership qualities and inspire a high-performance organizational culture.

Target Audience:

- CEOs: Chief Executive Officers responsible for overall strategic direction, business growth, and organizational performance in real estate companies.
- Senior Executives: Top-level leaders overseeing key functions such as project execution, financial performance, and operational efficiency.
- Top-Level Management Personnel: Decision-makers responsible for aligning business strategy with market demands and ensuring sustainable development.
- Real Estate Professionals: Individuals involved in project execution, development planning, and delivery of real estate projects.
- Financial & Credit Risk Professionals: Personnel responsible for financial analysis, credit assessment, and risk management within real estate operations.
- Marketing & Business Development Executives: Professionals focused on strategic marketing, client acquisition, and market positioning in the real estate sector.
