Training Course: A Step-by-Step Developing Balanced Scorecards and KPIs

Training Course code: MA9298 From: 31 August - 4 September 2026 Venue: Cape Town (South Africa) - DoubleTree by Hilton Cape Town - Upper Eastside Training Course Fees: 6350 € Euro

Introduction

In today's performance-driven environment, organizations need effective tools to translate strategy into measurable results. The **Balanced Scorecard** and **Key Performance Indicators KPIs** provide a practical framework for aligning strategic objectives with operational activities, monitoring progress, and improving decision-making.

This program, developed by **Global Horizon Training Center**, equips participants with a step-by-step methodology for designing, implementing, and managing Balanced Scorecards and KPIs. It focuses on linking vision, strategy, and performance measurement to ensure that organizational efforts are aligned, measurable, and results-oriented.

Participants will gain practical knowledge on how to develop meaningful KPIs, build balanced scorecards across key performance perspectives, and use performance data to drive accountability, improvement, and organizational success.

Course Objectives

By the end of this program, participants will be able to:
