

*Training Course:  
Organization Management*

*30 August - 3 September 2026  
Manama (Bahrain)*

## Training Course: Organization Management

Training Course code: MA234995 From: 30 August - 3 September 2026 Venue: Manama (Bahrain) - Training Course  
Fees: 4725 € Euro

### Introduction

Organizational management is a critical aspect of running any successful business or organization. Effective organizational management requires the application of principles and practices that enable an organization to plan, organize, lead, and control its operations to achieve its objectives. This training program aims to equip participants with the knowledge and skills to manage their organizations effectively.

### Objectives

By the end of this training program, participants will be able to:

- Understand the principles and practices of organizational management
- Develop and implement effective organizational plans
- Design and implement an effective organizational structure
- Lead and manage teams effectively
- Communicate and resolve conflicts within an organization
- Manage financial resources effectively
- Manage change within an organization
- Develop and execute a strategic plan
- Promote ethical behavior and social responsibility within an organization
- Improve organizational effectiveness and performance

### Target Audience

This program is designed for professionals responsible for **managing or overseeing organizational operations**, including:

- Current and Aspiring Managers
- Supervisors

- Team Leaders
- Professionals in operational management roles

It is suitable for individuals working in both private and public sectors, across small, medium, and large organizations.
