## Training Course: Managing Employee Performance, Behaviour & Attitudes

Training Course code: HR3030 From: 14 - 18 December 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

### Introduction

Effective performance management is fundamentally rooted in understanding **human behavior, attitudes, and motivation drivers**. Organizations often focus on systems, KPIs, and appraisal tools, yet overlook the psychological and behavioral dimensions that directly influence employee performance.

This program addresses that gap by integrating **behavioral science, performance management frameworks, and practical managerial techniques**. It explores how individual attitudes shape workplace behavior, how managers' assumptions influence outcomes, and how structured interventions—such as appraisal, discipline, and feedback—can be applied more effectively.

Participants will gain both conceptual clarity and hands-on capability to manage performance issues, differentiate between conduct and capability problems, and apply fair and consistent people management practices aligned with organizational standards.
