## Training Course: Project, Health, Safety & Environment Review (PHSER)

Training Course code: HE234664 From: 29 November - 3 December 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

### Introduction

This course is designed to enhance the Health, Safety, and Environmental HSE standards of personnel working across different companies. It provides structured rules, procedures, and safe practices to ensure a working environment free from conditions that could contribute to accidents, injuries, or illnesses. The course also outlines a project-specific HSE plan to guide the safe execution of operations.

### Objectives

By the end of this program, participants will be able to:

- Apply HSE knowledge in project reviews and assessments.
- Recognize HSE methods through hazard identification, assessment programs, and hazard communication.
- Conduct incident investigations and reporting, identifying environmental and procedural failures.
- Use proper equipment, PPE, ladders, and rigging to mitigate risks.
- Implement a structured monthly inspection and safety-check program.

### Target Audience

- Process Engineers
- HSE Engineers
- Technical Safety Specialists
- Operations Representatives
- HSE Staff
