

*Training Course:  
Public Service Management*

*6 - 10 September 2026  
Doha (Qatar)*

## Training Course: Public Service Management

Training Course code: MA234777 From: 6 - 10 September 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

### Introduction

The increasing expectations of citizens and the rapid advancement of technology have made the modernization of public services a strategic necessity. The [Certificate in Public Service Management](#) program is designed to equip public sector professionals with the knowledge and tools required to enhance service delivery, improve efficiency, and implement effective e-Governance initiatives.

This program focuses on modernization strategies, digital transformation, and public sector reforms, enabling organizations to deliver more transparent, accountable, and citizen-centric services. It also highlights the role of innovation, technology, and organizational change in building efficient and sustainable public institutions.

### Course Objectives

By the end of this program, participants will be able to:

- Understand the principles, trends, and practices of public service modernization
- Apply tools and techniques for implementing e-Governance initiatives
- Utilize modern technologies to enhance public service delivery
- Develop strategies for improving efficiency and service quality
- Identify and address challenges in public sector transformation
- Promote innovation and continuous improvement within public organizations
- Design modernization plans aligned with organizational goals

### Target Audience

This program is designed for:

- Directors, Board Members, and Senior Management in Public Sector Organizations
- Human Resources Professionals in Government Entities
- Auditors and Compliance Officers
- Public Sector Managers and Administrators
- Professionals involved in public service delivery and reform initiatives
- Individuals interested in e-Governance and public sector innovation

### Outline
