Advanced Procurement Skills*

*24 August - 4 September 2026  
London (UK)*

## Training Course: Advanced Procurement Skills

Training Course code: PC4108 From: 24 August - 4 September 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

### Introduction

This program enhances the strategic capabilities of Procurement Professionals and Senior Buyers. Participants will gain advanced negotiation techniques, supplier relationship management, category management, risk mitigation, and contingency planning skills. The program emphasizes procurement's role in reducing costs, improving efficiency across the supply chain, and implementing world-class practices. Delegates return with actionable plans to deliver measurable cost savings and organizational value.

### Course Objectives

By the end of the program, participants will be able to:

- Apply critical supply strategies and activity-based costing
- Analyze procurement forces of change and trends
- Build trust, rapport, and credibility within workgroups
- Strengthen supplier relationships and evaluation skills
- Implement business continuity and contingency planning
- Segment categories and plan effective negotiations
- Apply ethical standards and evaluate supplier performance
- Optimize procurement contribution to organizational performance

### Target Audience

- Procurement Managers and Senior Buyers
- Category Managers and Strategic Sourcing Professionals
- Contract Administrators and Supply Chain Managers
- Procurement Auditors and Compliance Officers
- Professionals involved in procurement planning, strategy, or supplier management
