Training Course: International Hospitality & Tourism Management

Training Course code: MA234592 From: 30 August - 3 September 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4350 € Euro

Introduction

The **International Hospitality Management** program, developed by **Global Horizon Training Center**, provides a comprehensive foundation in hospitality operations and management. It equips participants with essential knowledge and practical skills across key areas such as hotel operations, food and beverage services, and health and safety.

In addition to industry-specific expertise, the program emphasizes transferable skills including communication, customer service, marketing, and business awareness. These competencies enable participants to succeed not only within the hospitality sector but also across broader service-oriented industries.

Course Objectives

By the end of this program, participants will be able to:

- Understand the fundamentals of Hospitality Management
- Identify key components of hotel operations and departmental functions
- Apply principles of food and beverage services and restaurant operations
- Develop basic skills in menu planning and service delivery
- Understand kitchen design, layout, and food safety practices
- Apply health, safety, and hygiene standards in hospitality environments
- Enhance customer service and operational efficiency

Target Audience

This program is designed for:

- Hotel Management Students
- Individuals in the early stages of their hospitality careers
- Hospitality interns and entry-level professionals
- Individuals seeking to enter the hospitality and service industry
