Conference: Recruitment and Selection: Methodologies & Techniques

Conference code: CO8211 From: 20 - 24 April 2026 Venue: London (UK) - Conference Fees: 6300 € Euro

Introduction

Recruitment and selection can be a very expensive and time-consuming process, however, there is evidence that employing the latest recruitment and selection methodologies and techniques increase the likelihood of successfully recruiting the best candidate for any intended role.

The program will explore a number of techniques that will most certainly transform your competence as a recruiter or interviewer in either recruitment/selection or development and appraisal opportunities.

Objectives

- To examine numerous interviewing techniques and practice the process of behavioral or targeted interviewing.
- Discuss potential outcomes when using a variety of approaches to recruitment and selection
- Consider a variety of techniques and methodologies to differentiate the excellent from "the average" candidate using Competency frameworks
- Explore the appropriate use of various psychometric tests including general ability and attributes tests.
- Experience the use of Myers Briggs MBTI and review SHL's OPQ 32 reporting material including feedback on personality questionnaires
- Understand the benefits of developing an assessment center to test candidates against future job requirements
- Examine various Emotional Intelligence EI tools to test the potential of the candidates including Daniel Goleman's research and theory
- Develop your influencing skills by making persuasive presentations of key requirements in planning recruitment/selection campaigns
- Practice all of the techniques to achieve understanding and competence in a friendly and supportive environment

Methodology

Delegates will learn and develop competence by a combination of mini case studies, use of course material, practical exercises, and role-play opportunities. There will be adequate provision made to share real-life issues and experience back in their organizations either in general sessions or individually with the program leader.

Summary

This conference develops the essential skills, knowledge, and methodologies to successfully perform recruitment and selection assessment, and then explores the individual competence of the decision-makers. Finally, how to influence organizations to change their approach to recruitment and selection by constructing objective information and presentations.
