Training Course: Strategic HR

Training Course code: HR3054 From: 29 June - 10 July 2026 Venue: Lisbon (Portugal) - Training Course Fees: 9550 € Euro

Introduction

In an era defined by rapid technological advancement, global competition, and evolving workforce expectations, Human Resources is no longer a support function—it is a **strategic driver of organizational success**. Modern HR departments must operate in full alignment with business strategy, leveraging innovative frameworks, data-driven insights, and advanced leadership capabilities to create measurable value.

This comprehensive 10-day program is designed to redefine the role of HR professionals by equipping them with the tools, models, and methodologies required to lead transformation, enhance performance, and build future-ready organizations. It integrates **strategic HR thinking, leadership excellence, organizational development, and global HR practices** into a unified learning journey.

Participants will explore cutting-edge concepts such as **organizational effectiveness models, corporate culture transformation, HR maturity frameworks, performance excellence standards including Malcolm Baldrige National Quality Award criteria, and modern HR operating models**, enabling them to move beyond traditional HR practices and become true business partners.

Program Objectives

By the end of this program, participants will be able to:

- Align HR strategies with **organizational vision and long-term business goals**
- Lead and develop **high-performance teams and cultures**
- Apply advanced **strategic planning and execution models**
- Utilize modern HR frameworks and maturity models to assess and improve HR performance
- Implement **innovative performance management and appraisal systems**
- Apply negotiation and influencing skills to achieve business outcomes
- Design HR structures that deliver **measurable organizational value**
- Leverage international HR trends, analytics, and technology
- Build a culture of **continuous improvement, innovation, and engagement**
