Training Course: Customer Focused Management

Training Course code: MA1141 From: 23 - 27 August 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

In today's competitive and customer-driven marketplace, organizations must place the customer at the center of their strategies, operations, and culture. Customer-focused management is essential for delivering consistent value, building strong relationships, and achieving long-term success.

This program, developed by [Global Horizon Training Center](#), equips participants with the knowledge and practical tools required to lead and manage with a customer-centric approach. It focuses on aligning organizational processes, people, and performance with customer expectations to enhance satisfaction, loyalty, and business growth.

Participants will gain insights into how to create a culture of service excellence, manage customer experiences effectively, and implement systems that support continuous improvement in customer satisfaction.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles of customer-focused management
- Align organizational strategies with customer needs and expectations
- Develop and implement customer service standards
- Enhance customer experience across all touchpoints
- Measure and monitor customer satisfaction and performance
- Improve communication and relationship management with customers
- Manage customer feedback and complaints effectively
- Foster a culture of continuous improvement and service excellence

Target Audience
