Training Course: Driving Performance through Senior Manager & Leadership

Training Course code: MA234578 From: 30 August - 3 September 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4350 € Euro

Introduction

In today's competitive and rapidly evolving business environment, senior leaders play a critical role in driving organizational performance, aligning strategy with execution, and inspiring teams to achieve excellence. This program, developed by [Global Horizon Training Center](#), is designed to equip senior managers and leaders with advanced skills to enhance performance, strengthen leadership effectiveness, and deliver sustainable results.

The course focuses on strategic leadership, performance management, decision-making, and organizational alignment. Participants will gain practical tools to improve individual and team performance, foster accountability, and lead high-impact initiatives that support organizational success.

Course Objectives

By the end of this program, participants will be able to:

- Strengthen strategic leadership and performance management capabilities
- Align organizational goals with operational execution
- Drive high performance across teams and departments
- Apply advanced decision-making and problem-solving techniques
- Enhance accountability and performance culture within the organization
- Lead and manage change effectively
- Improve communication and stakeholder engagement
- Develop strategies to sustain long-term organizational performance

Target Audience

This program is designed for:

- Senior Managers and Executives
- Department Heads and Directors
- Business Unit Leaders
- Strategy and Performance Management Professionals
- Leaders responsible for organizational performance and transformation
- High-potential managers preparing for senior leadership roles
