Training Course: ITIL Specialist - Create, Deliver & Support

Training Course code: IT234737 From: 15 - 19 June 2026 Venue: Madrid (Spain) - Training Course Fees: 6300 € Euro

Introduction

The ITIL® Specialist - Create, Deliver & Support CDS is one of five courses needed to achieve ITIL 4's Managing Professional MP designation. This 5-days course covers the core service management activities and expands beyond the current scope of ITIL v3 to cover the "creation" of services. The course agenda covers the ITIL 4 practices to help you understand the major factors that contribute to the successful creation, delivery, and support across ITIL's new service value system SVS business model. This training is designed to be a preparation for the ITIL Specialist - Create, Deliver & Support exam.

Course Objective

At the end of this program participants will be able to:

- Understand how to plan and build a service value stream to create, deliver, and support services
- Understand the planning and management of resources in the SVS
- Discover how relevant ITIL practices contribute to creation, delivery, and support across the SVS and value streams
- create, deliver, and support services
- Discover how to prioritize, structure, and coordinate work and activities
- service integration management SIAM
