

*Training Course:  
Contractual Risk, Insurance ,and Indemnities*

*9 - 20 August 2026  
Doha (Qatar)*

## Training Course: Contractual Risk, Insurance ,and Indemnities

Training Course code: PC4076 From: 9 - 20 August 2026 Venue: Doha (Qatar) - Training Course Fees: 7350 € Euro

### Introduction

This program focuses on understanding contractual risks, indemnity regimes, and insurance arrangements within business and project contracts. It equips participants to mitigate financial exposure, improve contract negotiation, and apply international best practices in risk management. Delegates will gain confidence in instructing lawyers, structuring contracts, and managing disputes effectively, with emphasis on industries like oil, gas, and large-scale projects.

### Programme Objectives

By the end of this programme, participants will be able to:

- Understand the key elements of a contract and inter-relationships between clauses
- Analyze complex contracts and apply commercial risk assessment
- Develop and implement effective indemnity regimes
- Link indemnity clauses with insurance arrangements
- Understand the limitations of indemnity and insurance in managing risk
- Draft and evaluate insurance clauses in contracts
- Apply advanced dispute resolution techniques, including mediation and arbitration
- Enhance confidence in contract negotiation and day-to-day contract management
- Apply best practices in international contracting

### Target Audience

- Contract Managers and Contract Administrators
